

1. The documents:

- (a) The midterm questions will be uploaded on Team in a pdf file named "midterm.pdf"
- (b) As the midterm file is in pdf format, you will write your solutions on your own paper sheets, please answer the questions in the same order as they appear in the exam
- (c) On top of each answer sheet, please write your name, student id and sign
- (d) Once you have complete your exam, you will take pictures of your exam sheets, and send them to me by email. **You will have 5 point bonus** if you use CamScanner from Google play (probably something similar exists for iPhone), scan and store in "one" pdf file (practice before the exam) which you will email to me at the following email address: michel.toulouse@soict.hust.edu.vn

2. The examination:

- (a) The midterm documents will be loaded on Team at about 1h30 Monday afternoon June 14, so the midterm will start at about this time.
- (b) You must return your solutions before 2h45, otherwise you will lose 5 points per minute late
- (c) The midterm is graded on 100 points, but the total points you can get is 104, so a small 4 points bonus
- (d) I will stay online on Team during the midterm to answer eventual questions
